

Product Detail Page

IT-400TW

Number: 16.2580

The music horns from MONACOR are the state-of-the-art solution in order to use the full range of a horn speaker with a clearly extended frequency range. The 2-way technology with a dynamic cone bass-midrange speaker and a horn tweeter allows for an increase in the sound quality and permits to radiate the keynotes of voices and instruments which cannot be achieved by conventional horn speakers. The music horns are a perfect solution whenever an optimum voice volume and/or a more complete music transmission is required.

Weatherproof horn speaker (music horn), 2-way technology

- 100 V line technique with very high tapping power
- Weatherproof and IP66 certified
- Very wideband sound with a distinct bass volume even at very high volume levels
- 16 cm bass-midrange speaker and 25 mm (1") horn
- Suitable for general indoor and outdoor applications wherever a high sound pressure level and a particularly good sound are required
- Robust plastic housing with extra low resonance and very high rear dampening
- Supplied with mounting bracket and screws made of stainless steel
- Connection via screw terminals with 4 power taps

Tweeter

Technical Facts

Power rating	60/30/15/7.5W _{RMS}
Frequency range	100-15,000Hz
SPL (1W/1m)	101dB
Radiation angle (hor./vert.)	100°/60°
Admiss. ambient temp.	-20 °C to +50 °C
Dimensions	420x335x400mm
Weight	7.1kg
Special feature	IP66, ABS, 2-way
Replacement voice coil	-
